Advt. No. 1/2010

Post: Microbiologist IRL -EQA & DRS (1) for IRL, Patna

- Revised National Tuberculosis Control Programme is committed to provide diagnosis, treatment and care to all forms of Tuberculosis including Multiple Drug Resistant Tuberculosis (MDR-TB).
- State Tuberculosis Demonstration & Training Centre, Agamkuan, Patna require a Consultant Microbiologist, on contract basis, for state level Intermediate Reference Laboratory, Bihar.
- This offers an exciting opportunity to join our hands against a dreadful disease **TB** that affects everyone but the impact is devastating among poor and marginalized.

Qualification:

1. MBBS, MD (Microbiology), or
2. M.Sc (Medical Microbiology/Applied Microbiology) with M. Phil/Ph.D
or
3. M.Sc (Medical Microbiology/Applied Microbiology)

Preferential Qualification Experience in Culture and DST for mycobacterium tuberculosis

Job Specification/ responsibilities:

1. Work under the direct control of the Director, STDC/IRL.
2. Conducting on-site evaluation visits to all district level laboratories and a sample of peripheral laboratories.
3. Assist in developing capacity to manufacture panel testing slides.
4. Ensure follow up actions on NRL/IRL recommendations.
5. Conducting training for district level staff in sputum smear microscopy and EQA.
6. Ensure smooth conduct of routine laboratory activities of the IRL including culture/DST
7. Provide technical support to STC for strategic planning related to the laboratory activities in the state.
8. Supply chain management of the lab consumables
9. Actively assist the states in the collection, analysis and interpretation of data.
10. Assist state level DOTS-Plus committee and institutional infection control committee.
11. Facilitate in OR related to RNTCP.
12. Any other duties allotted from time to time.

Remuneration: MD Microbiology Rs.40, 000/ month and M.Sc. Microbiology (Rs.35, 000/ month
