## Terms of Reference (ToR) For Consultant - School Health Programme

**Background:** Adolescent Health is a focused component under NRHM, mainly to address the needs of adolescents and youths in rural areas. Adolescent Health component was neglected in the state of Bihar since the initiation of NRHM in the state. As a result, the State health Society, Bihar has actively initiated implementation of Adolescent Health component under NRHM from year 2011 -12 with development partners.

GoI organized a Adolescent Health review meeting on 21<sup>st</sup> December 2011 at Delhi with involvement of various Development partners to review the progress at state level on Adolescent Health component. During the review GoI suggested to bring various components like School Health, Menstrual Hygiene, ARSH, IFA supplementation & biannual deworming for adolescents implemented under NRHM with target group as adolescents under the umbrella of Adolescent Health and suggested the states to have one nodal person for all the components by forming Adolescent Health Cell at the State level to support planning and implementation of Adolescent Health program under NRHM. It was also suggested during the meeting that Adolescent cell to have three consultants. Two consultants are to be provided by development partner UNFPA for three other components of Adolescent Health program whereas state will recruit one consultant for school health program.

**State Level Consultant for School Health Program:** The consultant would be hired for providing technical support for planning , implementation and monitoring of the School Health program ( Nayi Piddhi Swasthya Guarantee Yojna) approved under NRHM PIP for year 2012 -13. The revised version of school health program is being implemented by the state from year 2011 -12 by covering all children and adolescents through health camps for providing basic health check ups and referral if needed. The state will continue to implement the program with convergence with other govt. departments like education, ICDS & WDC.
